School Boundary Hearings

Round Rock ISD is considering a change to school boundaries and one proposal being considered would have middle school children attend Grisham, located across Anderson Mill Road, rather than Canyon Vista which is the middle school our 6th, 7th and 8th grade children currently attend. Your Board wants to ensure that you are aware of these possible changes but we are not advocating a particular position.

An organizational meeting for interested neighbors from Estates of Brentwood and other nearby neighborhoods will be held this week. If you wish to be part of this effort please send an email to:
